

NEWS FROM RICHMOND AND OTHER PARTS OF VIRGINIA.

VIRGINIA AGAINST LEHIGH

Richmond/Ablaze With Preparations for Great Football Game.

PUBLISHERS LIABILITY

A Decision of Interest to the Newspaper Fraternity—Norfolk Admiralty Cases in U. S. Court of Appeals—the Virginia Supreme Court—Another Candidate—Marriage—General Lee off for Cuba.

(Special to Virginian-Pilot.)

Richmond, Va., Nov. 29.—The city is all ablaze with preparations for the great game between the University of Virginia and Lehigh University to-morrow afternoon. Indications point to a hot contest and the approaching fray is causing much interest among the Alumni of the University of Virginia all over the State.

This is an occasion of especial interest in the football world, as this will be the first time that a Northern team has ever played in this city.

Arthur Poe, one of the famous Poe family which has made such a reputation on the gridiron, arrived to-night with the Lehigh team. He will act as referee.

The University of Virginia boys will reach here on a special train at 11 o'clock to-morrow morning. They will bring with them the famous Stonewall Band of thirty-six pieces.

LIABILITY OF PUBLISHERS.

A decision rendered this morning by Judge E. C. Minor, in the Law and Equity Court, will be of interest to the publishers of newspapers especially.

The J. L. Hill Printing Company, publishers of the City Directory, were sued by Dr. Susan A. Roope for \$2,000 damages for libel in designating her in the directory as a "midwife."

The declaration alleged that on account of such publication Dr. Roope had been greatly prejudiced in her credit and reputation as a physician, because the public were led to think that her practice was limited to obstetrics, and because the term "midwife" is construed by the public generally as conveying an idea not altogether complimentary.

Messrs. Henry R. and John Garland Pollard, representing the defendant, demurred to the declaration on the ground that the publication complained of was not libellous. The court sustained the demurrer and the case was withheld from the jury.

The effect of the decision is that in such cases the publishers of directories are not, as a matter of law, liable. The J. L. Hill Printing Company are very particular in gathering the data for their directories. Their canvassers go from door to door to gather the information published. In a book containing many thousand names some mistakes naturally creep in.

NORFOLK ADMIRALTY CASES.

The United States Circuit Court of Appeals adjourned to-day after considering the following cases:

No. 312. Steamship "Minnie," appellant vs. schooner "John C. Hayes," appellee, appeal from the District Court of Norfolk, continued from yesterday, further argued by Samuel Park, of New York, and Floyd Hughes for the appellant and by R. G. Bickford, of Newport News and Robert M. Hughes for the appellee and submitted.

No. 330. Steamship "Indran," appellant vs. Eassey Holtz, appellee, appeal from the District Court at Norfolk, continued until the February term.

VIRGINIA SUPREME COURT.

In the State Supreme Court the proceedings were as follows:

Kirschbaum & Co. vs. Blair, etc. Argued by J. R. V. Daniel and John Pickrell for plaintiff and Hill Carter for defendant in error and submitted.

Triplet and als vs. Woodward and als. Argued by Eppa Hunton, Jr., and continued until Friday.

The next cases to be heard are Buck vs. Guarantors' Liability, &c. Co., Jones vs. City of Williamsburg, and West End Real Estate Co. vs. Clairborne. Nos. 24, 27 and 28.

Thursday being Thanksgiving Day, court adjourned until Friday morning at 11 o'clock.

ATTEMPTED ASSAULT.

The people of Henrico county are stirred up and indignant over what was evident an attempt at assault in the lower part of the county Saturday. The negro responsible for the crime was arrested to-day and lodged in the county jail.

ANOTHER CANDIDATE.

There is another candidate in the field, as will be seen from the subjoined letter, which is being sent to every member of the Legislature:

Pluck, King George Co., Va.
Dear Sir.—Having been solicited by a number of political friends in the Eighth Congressional District to be a candidate for Sergeant-at-Arms of the House of Delegates of Virginia, and having lost my right arm in the "Lost Cause," I most respectfully ask your support for said place, promising faithful performance of duty, if elected.
Most respectfully,
THOS. E. DRINKARD.

MARRIAGE.

This afternoon at 2 o'clock, Miss Mary Leigh Page, the popular and attractive daughter of Mrs. Page R. and the late Leigh R. Page, was married at the home of her mother to Dr. Walter A. Newman, a prominent physician of Salisbury, N. C. Owing to the recent death of Mrs. Page's sister, the marriage was as simple and quiet as possible, and only the nearest relatives of the bride and groom witnessed the ceremony, that was most impressive because of its simplicity. The bride wore a traveling suit and there were no attendants. Immediately after the ceremony Dr. and Mrs. Newman left on an extended bridal tour.

OFF FOR CUBA.

Gen. Fitzhugh Lee, who has been in

the city for several weeks, left to-night for his post of duty in Cuba. Chapman P. Sneed, of King William county, supervisor of the census for the Third Congressional District of Virginia, is in the city, preparing to subdivide the district, both in Richmond and the counties embraced in the district.

PETERSBURG.

THANKSGIVING SERMON—PERSONAL AND OTHER NOTES.

Petersburg, Va., Nov. 29.—At the regular meeting last night Petersburg Ruling 587 of the Fraternal Mystical Circle, elected and installed the following officers:

George H. Brown, W. Ruler; James W. Wells, V. W. Ruler; H. M. Hope, P. W. Ruler; O. L. Bastine, W. Chaplain; S. D. Deshager, W. Recorder; C. L. Wright, W. Treasurer; C. C. Hardy, W. Marshal; George D. Jones, W. Warden; J. C. Walthall, W. Guide; J. B. Alsop, W. Sentry.

INDUSTRIAL.

The work on the new car shed, being built on Chapel street for the Southside Railway and Development Company, is being pushed ahead with all possible haste. It is expected to be ready for occupancy within the next three months. The building is to be fire-proof and will cost in the neighborhood of \$30,000.

THANKSGIVING SERMON.

Thanksgiving services will be held to-morrow at 11 o'clock at Tabb Street Presbyterian Church, and will be conducted by Rev. Dr. Guthrie, of Richmond, who has recently accepted a call to Baltimore. Similar services will also be held at the Episcopal churches. St. Stephens Episcopal Church, colored, will be beautifully decorated with fruits of the earth in honor of the day.

BREVITIES.

The sales of loose tobacco at the different ware houses were very large to-day and satisfactory prices were obtained.

There is an immense quantity of lumber at City Point awaiting shipment to northern ports.

The Junior Order, United American Mechanics, of Petersburg, will attend West Street M. E. Church Sunday night, when a special sermon will be preached before them by Rev. L. W. Guyer, the pastor.

Miss Annie Gray Lamb, of Emporia, Greenville county, is on a visit to Miss Ritchie Shortt, of West Washington street.

A number of improvements in the way of building is going on in Petersburg.

Captain E. Goodwyn, station master of the Norfolk and Western Railroad Company in this city, who has been quite sick, is improved.

Horses for the races, which is to be given to-morrow at the New Market race course in Prince George county, a short distance from Petersburg, are beginning to arrive. The indications are that the races will be quite largely attended.

NEWPORT NEWS.

A BREWERY SECURED—A COOKING SCHOOL.

Newport News, Va., Nov. 29.—Newport News is soon to have a brewery. The charter for the Leo Schulz Brewing Company was applied for yesterday and will probably be granted to-day.

The incorporators and officers are: President—Leo Schulz, of Richmond.

First Vice-President—J. J. Leonard, of Phoebus.

Second Vice-President—F. G. Klipper, of Newport News.

Secretary and Treasurer—Otto Neukirch.

A. C. Wolf, of Richmond, who, with the above, constitute the Board of Directors.

The concern is a local one. Of the \$100,000 stock, some \$75,000 has already been subscribed in the section. Of this amount about \$30,000 has been placed in Newport News. The remaining stockholders are in Hampton, Phoebus and Richmond.

COOKING SCHOOL.

The Huntingtons have always taken a great interest in the sensible development of the negro race and have frequently shown that interest in a pleasingly substantial manner, as many will testify.

The latest proof of their generosity in this regard has been furnished by Mrs. C. P. Huntington, who has just given to Dr. H. B. Frizzell, principal of the Hampton Normal School, a check for \$2,500 to be used in establishing in Newport News a cooking, sewing and manual training school among the colored people.

Hon. Wm. L. Wilson's Condition.
(By Telegraph to Virginian-Pilot.)

Richmond, Va., Nov. 29.—A special from Lexington to-night says that while it is true that Hon. William L. Wilson has been advised to go Arizona for his health, and will spend a part of the winter there, it has not been decided when he will leave. At present he is engaged as actively as ever in his duties at Washington and Lee University.

Several Marriages on the Eve of Thanksgiving Day.

Three Watches Stolen from the Pierce Family—Pythian Bazaar to Open at Armory for two nights—E. Peterson will Get Well.

(Special to Virginian-Pilot.)

Suffolk, Va., Nov. 29.—Some half a dozen men in this vicinity will have more than the ordinary mortals to be thankful for. They will have Thanksgiving brides, for which they are likely very grateful. Several young women became wives to-day.

WATKINS-GREY.

This afternoon the home of Mr. Frederick N. Gray, in Nansemond county, was the place of a quiet marriage. The principals were his daughter, Miss Essie Gray, and Mr. Wilson M. Watkins. The attendants were Miss Nettie Smith with Kemper Oliver, and Richard Eley with Miss Dora Brinkley.

Mr. and Mrs. Watkins left for their future home in Alcolu, S. C., where the groom is a bookkeeper. Later there was a reception at Mr. Gray's home.

To-day in the county Miss Virginia Pruden was made the bride of Mr. Alfred D. Hingray. The bride is a daughter of Mills Pruden. The groom is a native of New Hampshire.

LANGSTON-JONES.

That was a real pretty church marriage this afternoon at the Holy Neck Christian place. The persons to the contract were Mr. John D. Langston and Miss Nellie R. Jones, daughter of the late James R. Jones. The auditorium was decorated with palms, ferns, evergreen and potted plants. The vows were said under a pretty floral arch. At the extreme end of each aisle there was a flower gate. These were looked after by bright pages, Howard Luke and Gilmer Holland. Rev. N. G. Newman was the preacher.

THE ATTENDANTS.

Mr. Seth Edward Everett, of Suffolk, was best man, Miss Irene Jones, a sister of the bride, maid of honor, and Rev. I. W. Johnson and Frank A. Holladay, ushers. The others were: Miss Jennie Beale with R. H. Porter, Miss Alice Vincent with Wilson Holland, Miss Eva Lawrence with David Rawles, Miss Rosa Norfleet with Brock D. Jones, Miss Bessie Darden with H. B. Everett, Miss Sue Rawles with Sam H. Everett, Miss Ava Turner with Owen Holland, Miss Nancy Langston with John Jones, Miss Jennie Holland, of Suffolk, was organist, playing Lohengrin's march, Schubert's Serenade and Mendelssohn's march.

The bride wore a tailor-made gown of gray broadcloth, with hat and gloves to correspond. The maid of honor was attired in green silk, trimmed with velvet.

Mr. and Mrs. Langston left at 3:26 for Washington and other honeymoon towns. They will be gone something over a week.

STOLE THREE WATCHES.

The Pierce family left home for a short time yesterday, but they stayed long enough for a couple of robbers to get in their work. Wilson and Jesse Pierce are industrious colored men whose home is at Lindale, three miles from Suffolk.

Yesterday they worked in the fields, leaving the house locked and windows bolted. This didn't delay the burglars. They unlocked the front door, got all the easily carried valuables in sight and escaped before any one got home. Among the things taken were a lot of clothing and three watches—\$75 worth altogether. The door was opened with a key.

To-day Hurricane Branch is on the robbers' trail. He, with Deputy John Matthews and a blood hound, followed the tracks some distance. It's believed there were two burglars and that they have gone to Norfolk.

PYTHIAN BAZAAR.

There will be a bazaar to-morrow and Friday nights at Armory Hall. The Uniformed Pythians are having it to raise funds to go on a trip next year. A number of donations have been made by residents and persons from a distance. Welcome Lodge of Pythians will take supper to-morrow and Friday the Tom Smith Camp of Confederate Veterans will go. They are asked to meet at 8 o'clock at the store of Councilman R. L. Allen.

DOING GOOD WORK.

Judge W. J. Kilby has a letter from Johns Hopkins University which tells complimentary things regarding the advancement of his son, Bradford Kilby, who was awarded an A. M. degree at a Virginia college, and who expects to remain four terms at Johns Hopkins—long enough to learn Ph. D. His reviews, which he lately read before the Political Science Association, were well spoken of.

WILL GET WELL.

E. Peterson, alias Willie Jones, the man who tried to kill himself when he failed to escape jail, will live. He is now out of danger. The bullet did not penetrate the skull, but likely glanced, as the surgeon found no trace of it.

DOINGS OF PEOPLE.

Councilman John C. Holladay left to-night for North Carolina. He will visit at Elon College and Graham.

Mrs. Hattie B. Kelly, of Manchester, Va., arrived in Suffolk last night. Today she took charge of a school at Narneyville.

Miss Marion Williams left to-day to visit Miss Ruth Harrell, in Power Parish.

Captain E. A. Norfleet and Mr. W. G. Elam left this afternoon to attend a meeting of Shriners at Acca Temple, Richmond.

Miss Mary Casler, organist, will make some excellent music at the Main Street Methodist Church to-morrow at the Union Thanksgiving service. The service begins at 10 o'clock.

After Honduras Trade.

(By Telegraph to Virginian-Pilot.)
Richmond, Va., Nov. 29.—The Virginia-Honduras Plantation Company with a maximum capacity stock of \$300,000, was granted a charter here to-day.

The company has a big grant from the Honduras Government to cover valuable rubber trees and fruit lands, both of which they will develop. Large local and Northern capital is represented.

Copper Colored Splotches.

There is only one cure for Contagious Blood Poison—the disease which has completely baffled the doctors. They are totally unable to cure it, and direct their efforts toward bottling the poison up in the blood and concealing it from view. S. S. S. cures the disease positively and permanently by forcing out every trace of the taint.

I was afflicted with a terrible blood disease, which was in spots at first, but afterwards spread all over my body. These soon broke out into sores, and it is easy to imagine the suffering I endured. Before I became convinced that the doctors could do no good, I had spent a hundred dollars, which was really thrown away. I then tried various patent medicines, but they did not reach the disease. When I had finished my first bottle of S. S. S. I was greatly improved and was delighted with the result. The large red splotches on my chest began to grow paler and smaller, and before long disappeared entirely. I regained my lost weight, became stronger, and my appetite greatly improved. I was soon entirely well, and my skin as clear as a piece of glass.

Don't destroy all possible chance of a cure by taking the doctor's treatment of mercury and potash. These minerals cause the hair to fall out, and will wreck the entire system.

The People Now Realize It

A little over a year ago we advertised that we would sell one stove of our make to anybody as low as a dealer could buy a coalstove. Then our trade was limited to Virginia and North Carolina. Since we advertised this we have shipped them to every State from New York to Florida, and as far West as Ohio—right in the heart of other stove manufacturers. Nothing but praise comes from these States for their baking qualities and excellent finish. The celebrated Fitz Lee Cook Stove is destined to be in more homes in more States than any other stove ever made. Write for information.
